

ANNA W. PROSSER

Our very dear friend and fellow-worker, Miss Anna W. Prosser, has recently been called to her reward. Her labors in the Lord's vineyard for many years have been most abundant, both in the interests of the home and foreign work. At her Faith Home, 290 Fargo Ave., Buffalo, N. Y., she led several Bible classes, which resulted in great good. Through her efforts also a great deal of money was collected for foreign missionary work, and missionaries were placed on needy fields. An effort is being made that this blessed work shall, at least in some measure, be continued (as was her prayer before she died). All who feel inclined to help in this should send for a copy of her book, "From Death to Life," containing the account of her remarkable conversion, and her wonderful healing, which was the means of her being led into the Lord's work. The book was written by Miss Prosser a year or more before her death. It is intensely interesting and full of helpful suggestions to those desiring light on holiness and healing.

Personally we may add that our close acquaintance with this dear sister, and our love for her in Christ, causes us to feel her loss very deeply, but we look forward to a blessed reunion in that land where the inhabitant shall no more know sickness, sorrow or death.
