

## **Testimony from Tulsa Campaign of Raymond T. Richey**

For four months I had been totally deaf in my left ear. Specialists could do me no good. When Brother Richey touched me and began praying my hearing returned instantly. I have also had a broken ankle for three years, and have suffered almost constantly. When he prayed for me, my ankle cracked, straightened, and the pain ceased. I marched in the parade Saturday night without the least pain, a thing which I had not done for three years. Praise the Lord. -Miss Jessie Oliva Walker, Tulsa. OK.
